"I have learned a lot from Alex Mill already, and now this book has impacted me further...buy copies for the people whose peace of mind you care about!"

~Steve Chandler, Author of CRAZY GOOD

In Alex's many years of intense Zen training, he went from starting as a fledgling monk who was assigned basic tasks to a leader entrusted to run the monastery's small business, guide individuals, facilitate workshops and retreats and create curriculum on transformational inner development.

The Zen Life is a collection of writings based upon Alex's personal monastic and coaching experiences and is an attempt to bridge the gap between timeless teachings and their modern day applications in the world.
