Caribbean Primary Agriculture - Book 1 (Bk.1) Ronald Ramharacksingh

Primary Agriculture is an integral part of the school curriculum in most countries of the Caribbean. This revised edition of the Caribbean Primary Agriculture series provides technological updating of the various units and topics which are comprehensively sequenced and graded to suit the various age groups and class levels of the primary school. An awareness of ecology, safety and the economic framework is an important part of the new material, which includes newly drawn pictures, both black and white and full colour. The Scientific Discovery Approach is used, so that students can find solutions to problems both by their own investigations and with guidance from the teacher.
