Country Pubs and Inns of Devon: A comprehensive guide to country pubs in Devon Peter Long

Country Pubs and Inns of Devon is one of a series of guides which will eventually cover the whole of the UK. The guide provides details of pubs and inns situated in the countryside of Devon. There are, of course, many selectively-based pub guides covering the UK but each title in the Country Pubs & Inns series will provide readers with the most comprehensive choice of pubs in the countryside. In addition to the name, address and telephone number, many of the entries will provide details of real ales, food, accommodation and facilities such as opening times, entertainment, parking, gardens and children's play areas, as well as directions on how to get there. The layout of the guide has been especially designed to allow the reader to select the area of Devon being visited. Each chapter begins with a brief illustrated summary of the places of interest in the area and a map containing the numbered location of every country pub. By using the number the reader can then find more information on their chosen pub.
