Section IV: "Breeds" is the largest section in the book, providing an alphabetical catalog of over 250 purebred dogs, from Affenpinscher to Yorkshire Terrier, including all of the most popular breeds in the world as well as many little known breed. Each breed is represented by a full-color photograph and an article detailing alternative names, country of origin, kennel club group, history of breed's development, physical description, height/weight, temperament, activity level, health concerns—all information necessary for owners to determine which breed would make the best companion for their life style and family.

Section V: "Health" extends over 100 pages and covers establishing a veterinary regimen for a dog; infectious diseases and vaccinations; canine anatomy and bodily systems; reproduction and breeding; chronic disease and conditions; and diagnostic tests and techniques.

A chapter titled "The Complete Guide to Feeding Your Dog" addresses essential canine nutrition, including selection of the right food, safety, special needs, supplemental, obesity, and owner precautions.

Section VII: "Training and Behavior" could be a complete book unto itself, discussing canine communication, the importance of socialization, puppy training, house-training, specific kinds of training methods, equipment, adult-dog methods, and trick training. A chapter on solving behavioral problems covers difficulties owners might encounter with their pets, from barking and separation anxiety to aggression, eating, housetraining, and health-related problems.

Section VIII: "Dogs and Work" includes a chapter about dogs who work and a chapter about people who work with dogs. The text discusses the many jobs dogs do in our society, from ancient roles like herding, guarding, and military work to more contemporary jobs like search and rescue, film acting, and detection

work. The careers chapter catalogs jobs caring for dogs (veterinary-related, groomers, day-care), protection and advocacy jobs (humane societies, animal control), and training and handling jobs (obedience, behaviorist, working dog handlers).

The book concludes with an extensive glossary, a 50-page resource section of books, websites, and magazines, and a complete index.
