Roni Horn: The Sensation of Sadness at Having Slept Through a Shower of Meteors Aveek Sen
The Sensation of Sadness at Having Slept Through a Shower of Meteors brings together new works by American artist Roni Horn (born 1955), continuing her 30-year artistic exploration of time, memory and perception. Horn's captivating yellow-green cast glass sculptures, simultaneously evoking land and sea, are juxtaposed here with her major photographic series *You Are the Weather, Part 2*, completed in 2011. Consisting of 100 photographs of a woman bathing in the hot springs and pools of Iceland, *You Are the Weather, Part 2* documents the subtle shifts in her countenance over short periods of time.
