## **Sophia Bestiae: The Wisdom of the Beast** Edward O'Toole

After almost 2000 years of indoctrination, Man now has the chance to see God in His true light. Sophia Bestiae re-examines God, His origins and His behaviour - substantiated throughout with supporting Biblical passages - and proves that far from being the hero of the Judeo-Christian religion, He is evil incarnate. The Sophia Bestiae shows that Revelations 13:18 was correct in that the Time of the Beast is now, but that The Beast is in fact Mankind - the true enemy of God. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. Indexed for ease of use and quick reference, the Sophia Bestiae is an excellent reference guide for both beginners in religious studies and advanced. For anyone who has ever noticed the contradictory behaviour of God, or has ever called their Faith into doubt, then the Sophia Bestiae will explain why. After reading the Sophia Bestiae you will be in no doubt whatsoever as to the Secret Nature of God - and why He is planning Armageddon. Other books, such as the Black Bible, have looked at the hypocrisy and inconsistencies and evil prevalent in the Bible, but never before has a book shown the True Nature of God - a Being to be feared by Man as He is most definitely NOT our benefactor - he is our Nemesis
