## **Where Are Our Fathers?** Essence Ester

Essence Ester exemplifies the meaning of Great Expression. She is a published poet whose love of words has taken her to the Author's Table. "Where Are Our Fathers" shines a long overdue light on the World of the Single Mom. It provides a look through the eyes of the children who are growing up without their Father's. Essence, born and raised in Bronx, NY understands the experience from both aspects. She resides in Maryland with her son, Emanuel.
