## **Colorworld (Volume 1)** Rachel E Kelly

Wendy, a 19-year old college student, can sense emotions when she touches people. As the sole caregiver for her younger brother Ezra, she is strapped for cash and decides to participate in an allergy study. But something goes wrong, and when Wendy wakes up, she learns that someone is dead and it was her skin that did it. Unable to touch people for fear of hurting them, Wendy is on the hunt for answers. Did they mean to make her a weapon, or something else entirely? That's when she finds out she's not the only one; superhuman abilities are real. Gabe, who works with the company responsible, feels badly about what happened and offers his help. Together they learn that Wendy was targeted for a specific reason, and it has nothing to do with her death touch. \*Intended for 16 and up
