Creditors' Rights in Chapter 11 Cases provides an authoritative, insider's perspective on best practices for advising both secured and unsecured creditors during insolvency proceedings. Featuring partners from some of the nation's leading law firms, this book guides the reader through the recent trends and judicial and legislative developments impacting lawyers, creditors, debtors, and the bankruptcy arena as a whole. From credit bidding and cramdowns to fiduciary duties and contractual and statutory rights, these top lawyers analyze the issues that impact creditors' rights. Additionally, these authors give tips on the role of the creditors' committee in Chapter 11 cases and describe the rights of creditors thereby providing the best means of protecting a client's interests. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this complex field.

Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities.
