Panicking in an unruly crowd, Danny, Wayne and Michelle tumble head over heels into the icy waters of Trickle Lake. But when they come up for air, they're shocked to find themselves in a large public fountain - in a time and place far from Odyssey!

When the trio attempts to escape from the police, one is seized and taken to the king's palace. Given the choice of escape or the enticements of this corrupt kingdom, she decides to stay. Meanwhile the other two join forces with an exiled prince intent on leading his people to freedom

Caught on opposite ends of a weary nation's struggle to break free from oppression, the kids must now make a terrible choice. It may tear them apart and lead them down separate paths to life-threatening ends. Will the Unseen One give them a safe escape?
