Faith, family, and friendship have always been top priority to five lifelong friends, but each one is about to be put to the test during one turbulent year.

Lawson Kerry is a struggling single mother who has finally gotten her life together. Now, a fierce custody battle with her ex threatens to tear apart everything she's built.

Reginell Kerry is a starry-eyed singer determined to make it to the top of the charts, but will she change her tune when a chance at fame means shedding her clothes and her self-respect?

Sullivan Webb is the pampered wife of a charismatic pastor with political aspirations, but she just might destroy her husband's campaign and their marriage if she can't control her wandering eye.

Angel King has dedicated her life to nursing following the destruction of her marriage. Can she maintain her professionalism when she discovers that her newest patient is the woman who stole her husband?

Kina Battle has had enough of her husband's verbal and physical abuse. When she's pushed to the edge, the situation heads in a deadly direction, and there might be no turning back.

Nothing is sacred, all bets are off, and the lives of these ladies will never be the same. Will they have the strength to hold on to their friendships and put their trust in God?
