Real Food/Fake Food: Why You Don't Know What You're Eating and What You Can Do About It is an investigative overview of the food industry's often intentional efforts to mislead consumers about the origin and identity of the products that they eat. Author Larry Olmsted highlights the most outrageous examples of food frauds perpetrated upon the American people and offers recommendations for ways that consumers can reclaim their grocery bags and fill their dinner plates with foods they can trust.

Fake foods are ubiquitous, but most Americans fail to realize that they are being duped. While it may seem harmless to consume a type of cheese that is not, in fact, from a specific region in Italy, as often occurs with the consumption of ersatz Parmesan cheese, the implications of this fraud are far-reaching. First, consumers are paying a premium for products that purport to be more luxurious or exclusive...
