Symphonic Variations, Op. 78 / B. 70: Study score

Antonin Dvorak

Symphonic Variations, Op. 78 / B. 70: Study score Antonin Dvorak

Dvorak received a commission for this work in 1877 for a benefit concert to raise funds for the construction of a new church in Prague. Composed between August 6 and 28 September, it was first performed on December 2 at the Provisional Theatre, with the orchestra conducted by Ludevít Procházka as the composer's opus 40. It would be eleven years before the work was first published however, and Dvorak's publisher Simrock assigned the opus number of 78 to imply they were bringing out a new work. The work entered the symphonic repertoire gradually after its 1888 publication and remains extremely popular today. The score offered here is a reissue of the 1957 critical edition of Frantisek Bartos and Jiri Berkovec. Unlike so many of the on-demand scores now available, this one comes with all the pages and the images have been thoroughly checked to make sure it is readable. As with all PLP scores a percentage of each sale is donated to the amazing online archive of free music scores and recordings, IMSLP - Petrucci Music Library.
