**Do you know that if you had invested \$1,000 only five years ago in Bitcoin you could have around \$4,000,000 today?**

(yes, that's 4 million dollars!)

Bitcoin is one of the safest, freest and better way to store your money away from banks and governments. Using it as a way to save, invest or trade; you can forget about unscrupulous third parties, charging you anything from unfair commissions or taxes to prohibitive transfer fees.

However to take advantage of the full power and possibilities of Bitcoin, you will need to educate yourself so the details and terminology don't overwhelm you.

In this step-by-step guide you'll learn from Mark Janniro, a true expert in the subject:

- The details on how to store and protect your bitcoins

- How to buy and sell them

- how to start with mining

- How do wallets work

- How to trade bitcoin

- And all the concepts on how the entire system works

So you can make a **very informed decision** if you are planning to enter in the fascinating world of Bitcoin.

If you need to move money across borders, if you need to save for the long term, if you want to try your hand at trading: bitcoin is your cheapest and safest choice.
