The Financially Savvy Nurse Practitioner: Your Guide to Building Wealth Lessie Nachole Johnson

Are you aware that the average American family wouldn't be able to cover a \$500 emergency if it occurred? Nearly two-third's of Americans live this reality every day. There's no reason you should be part of this statistic as a working NP. As a matter of fact, you should easily be able to build wealth at this level. The Financially Savvy NP: Your Guide to Building Wealth discusses how to soar above the norm with your financial goals. Learn how you can position yourself to be a financially savvy NP and build wealth. In The Financially Savvy NP: Your Guide to Building Wealth you'll learn:

- How much you should really be making as an NP
- How to determine if the company you work for will end up costing you money in the long-term
- How to build your credit
- Tips to build wealth for retirement
- Pros and cons of purchasing a home
- The financial priority list for NPs
-and much, much, more!

Do not allow yourself to be financially illiterate! You sacrificed to get your advanced nursing degree. You now do many of the same clinical tasks as an MD. Why should you still suffer financially? Are you one of the many who are making good money as an NP with nothing to show for it? Perhaps that is because you don't know how to manage your money properly. You may even be worried that you won't have enough for retirement. If you're like so many others out there, you're frustrated, confused, and wonder how you can possibly turn things around for your financial future. You may not even know the difference between a Roth IRA, 401k, or a HSA. The Financially Savvy NP: Your Guide to Building Wealth is just what you need to educate yourself and put you on track to financial success. Pay off your debt, learn how to better manage your personal finances, and discover simple ways to build wealth while also furthering your career. If you're new to the profession and need to pay off your student loans or a seasoned NP wanting to retire comfortably, Nachole gives tips on how to build significant wealth. Don't delay.
