## The Role of Government in East Asian Economic Development: Comparative Institutional Analysis (Clarendon Paperbacks)

This collection of papers stems from a recent World Bank project focused upon the contentious issue of whether government has played any positive role in the success of the so-called "high-performing" Asian economies. It goes beyond the influential World Bank volume *The East Asian Miracle* to chart a middle ground that recognizes diversity among the different East Asian economies, as well as the evolutionary nature of government intervention.
