## **A Frog Named Rabbit** Joyce Norman

Our story begins in a deep, dark forest. A tiny green frog named Reginald lives there. Mama and Papa Frog loved little Reginald, but worried about him for he had a very bad habit of not paying attention. When they gave him any small little chore, they would soon look around and there he'd be, sitting on a low branch or lily pad, staring into space. The teacher down at the pond school had told his parents that Reginald never seemed to listen when she taught the frog class.
