"*Comprehensive Business Law* uses real life court cases combined with a wealth of strong supporting material to educate readers about key legal principles in the area of business law.

*Comprehensive Business Law* focuses on the history and structure of the United States legal system. Students are exposed to court procedures as well as alternative forms of dispute resolution such as negotiation, mediation, and arbitration. The textbook also contains chapters specifically devoted to tort law, intellectual property law, constitutional law, criminal law, contract law, property law, consumer law, employment law, bankruptcy law, business entity law, and environmental law. The text incorporates cyber law and related cases in each of these areas.

Each chapter includes learning objectives, several brief excerpts from real-world cases accompanied by essay questions, target vocabulary, discussion questions, and comprehensive problems.
