Interior Design Stephanie A. Clemons

The study of interior design is exhilarating! It is a field filled with creative excitement, innovative beauty, and dynamic design! As a profession, it is never static or predictable primarily because the focus is on PEOPLE! **Interior Design** provides students with an introduction to the history and how-to's of the profession while expanding into business practices, career specializations, and educational requirements. In combination with the teaching package, students learn about the design process; the importance of color and light; historical influences such as furniture and architectural styles; and the human element such as sustainability, aging-in-place, universal design, anthropometrics, proxemics, and ergonomics.
