Short-Term Financial Management John Zietlow, Matthew Hill, Terry Maness

Short-Term Financial Management provides a comprehensive overview of topics that are vital for anyone interested in a career in corporate finance. The book is a well-rounded survey of liquidity management, cash and cash flow management, capital management, and other skills involved in managing the top half of a balance sheet.

Beginning with an introduction to liquidity, the book moves through aspects of short-term finance including management of working capital, corporate cash management, forecasting and planning, and investment and financing. The last two chapters address specialized topics-managing multinational cash flows and managing financial risk with derivatives.

Each chapter includes student learning objectives, discussion questions, and sample problems. "Focus on Practice" sections introduce students to real-world articles and case studies. In addition, the book provides concrete resources such as sample equations, balance sheets, flowcharts, and reports, which allow students to practice and apply the target concepts.

An excellent introduction to many topics covered in the Certified Treasury Professional (CTP) certification, *Short-Term Financial Management* is suitable for courses in intermediate financial management and advanced corporate finance.

John Zietlow earned his D.B.A. at the University of Memphis. A former financial analyst for Ford Motor Company, he is now a professor of finance at Malone University in Canton, Ohio.

Matthew Hill earned his Ph.D. in finance at Mississippi State University. He is an assistant professor of finance, and the J. Ed Turner Chair of Real Estate at the University of Mississippi.

Terry Maness holds a D.B.A. from Indiana University, Bloomington. He is the Dean of the Hankamer School of Business at Baylor University.

This Short-Term Financial Management is great book for you because the content which can be full of information for you who have always deal with world and also have to make decision every minute. This kind of book reveal it facts accurately using great plan word or we can say no rambling sentences inside it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tricky core information with splendid delivering sentences. Having Short-Term Financial Management in your hand like keeping the world in your arm, data in it is not ridiculous a single. We can say that no reserve that offer you world in ten or fifteen second right but this reserve already do that. So , it is good reading book. Hey there Mr. and Mrs. hectic do you still doubt that will?

Clara Gay:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Short-Term Financial Management can make you experience more interested to read.

James Koenig:

A lot of people said that they feel uninterested when they reading a publication. They are directly felt the idea when they get a half elements of the book. You can choose the particular book Short-Term Financial Management to make your own reading is interesting. Your personal skill of reading expertise is developing when you similar to reading. Try to choose basic book to make you enjoy you just read it and mingle the sensation about book and reading through especially. It is to be first opinion for you to like to wide open a book and learn it. Beside that the publication Short-Term Financial Management can to be your friend when

you're feel alone and confuse in doing what must you're doing of their time.
