The Day the World Ends: Poems Ethan Coen

From one of the most inventive and celebrated filmmakers of the twentieth century, and co-creator of such classics as *Fargo*, *No Country for Old Men*, and *True Grit*, a collection of poems that offers humor and insight into an artist who has always pushed the boundaries of his craft.

Ethan Coen's screenplays have surprised and delighted international audiences with their hilarious vision and bizarrely profound understanding of human nature. This eccentric genius is revealed again in *The Day the World Ends*, a remarkable range of poems that are as funny, ribald, provocative, raw, and often touching as the brilliant films that have made the Coen brothers cult legends.
