The Power of the Bear Michael Babcock

A visually striking, very personal tribute to the work and spirit of the late artist Susan Seddon Boulet, this book features forty-three images of bears Boulet created at various times in her career--bears ranging in tenor from rough, playful sketches to richly colored fairytale illustrations to her trademark, intricately detailed "shamanic" paintings.

Author Michael Babcock, longtime friend of the artist, uses Boulet's bear-focused work as a vehicle to explore the pivotal events of her life, the evolution of her artistic technique, and the sensibility that informed her art.
