**The Yips: A Novel** Nicola Barker

**The Man Booker Prize–nominated novel by one of the most original authors of our time**

Storm clouds are gathering above the bar of the less-than-exclusive Thistle Hotel. Stuart Ransom, a jet-setting, supermodel-chasing pro golfer with an extravagant ego and a career nearing the end of a spectacular decline, is drinking his way through the night. Desperate for attention, he strikes up free-flowing conversations with anyone who will listen. But as he banters with Jen, the impish barmaid with a talent for telling tall tales rivaled only by Stuart's own, the night takes an extraordinary turn.

Among those caught up in the unfolding drama are a tattooist with a mad mother and a love of anything from the 1940s; a free-thinking Muslim sex therapist and his considerably more conservative wife; the mysterious Vicki, the sister of Stuart's defiant yet curiously devoted manager; and a misguided female vicar of the Church of England and her husband, Gene, the Thistle's hapless bartender.

They are a highly entertaining and eccentric bunch, but there's more to them than meets the eye. "There enter in questions of what it is to be consumed by love or lust, by shame, by the longing to be someone else or nobody" (*The Guardian*), and *The Yips* unites them in an absorbing, exhilarating tour de force.

Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. A lot of author can inspire all their reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors in this world always try to improve their skill in writing, they also doing some investigation before they write with their book. One of them is this The Yips: A Novel.

#### **Tonia Lee:**

In this time globalization it is important to someone to find information. The information will make you to definitely understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of sources to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher in which print many kinds of book. The book that recommended to you personally is The Yips: A Novel this book consist a lot of the information with the condition of this world now. This specific book was represented just how can the world has grown up. The terminology styles that writer use to explain it is easy to understand. Typically the writer made some analysis when he makes this book. Honestly, that is why this book suitable all of you.

#### **Donna Vandyne:**

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Yips: A Novel can make you sense more interested to read.

#### **Amanda Doss:**

Reading a reserve make you to get more knowledge from this. You can take knowledge and information coming from a book. Book is written or printed or highlighted from each source in which filled update of news. Within this modern era like at this point, many ways to get information are available for an individual. From media social including newspaper, magazines, science book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just searching for the The Yips: A Novel when you desired it?
