**By the author of *Paris Versus New York*, an illustrated exploration of time and memory.**

Take it, make it, lose it, have it, kill it, spend it, save it, forget it, break it, set it, repeat it, keep it: time flies and time crawls. This might be your first time, your last time, or you may be stuck in your routine. How we experience time shapes our relationships, memories, dreams, and nightmares. And only with time can possibility become reality.

From the acclaimed illustrator and author of PARIS VERSUS NEW YORK comes a visual memoir inspired by Muratyan's travels across four continents and multiple time zones. Warm, funny, chic, thought-provoking, and as graphically pleasing as its predecessor, ABOUT TIME is a meditation and celebration of how we spend our lives.
