Grant Morrison

Batman: Arkham Asylum (15th Anniversary Edition) A Serious House on Serious Earth Grant Morrison

In this groundbreaking painted graphic novel, the inmates of Arkham Asylum have taken over Gotham's detention center for the criminally insane on April Fool's Day and demand Batman in exchange for their prisoners. Accepting their demented challenge, Batman is forced to live and endure the personal hells of the Joker, Scarecrow, Poison Ivy, Two-Face and many other of his sworn enemies in order to save the innocents and retake the prison. During his run through this absurd gauntlet, the Darknight Detective's own sanity is in jeopardy. This special anniversary edition hardcover also reproduces the original script with annotations by Morrison and editor Karen Berger.
