"This is yet another beautiful, inspiring book.... many possibilities for quilters and other artists."—*Scattered Patches*

Borders are a natural development of Celtic patterns, whereby an abstract or animal pattern may be repeated to fill a band or frame a panel. Aidan Meehan shows how to create a variety of rectangular Celtic borders, based upon a simple square-grid. The borders are proportioned to fit a standard letter-size page, but are equally suited for stationery or illuminated pages, and are readily adaptable to any number of craft applications. Fully illustrated with examples throughout
