Carlos, Troy and Will met in *Where There's a Will*. They found each other and a love not many people could imagine. Now they've been handed a chance at a new life and a home of their own. The Mossy Glenn Ranch, owned by three siblings, Nick, Rory, and Annabelle, used to be flush with success. Then the previous owners destroyed almost everything, selling their heritage right out from under the three. They bought part of it back, and asked Carlos and his partners to make the place successful again. It's a chance he grabs once his guys agree, but there are challenges for all of them, and Will's desire to make the place specifically LGBT-employee friendly and safe may cause more trouble than they already find when they get to their new home. From a situation in town that reminds Will all too much of his own abusive past, to the surprising support of many of the townsfolk, the trio find themselves facing new challenges and reaching for the love and support that grows stronger between them. Reader Advisory: This book contains mild BDSM: spanking and bondage.
