Dating for Food: Into the Fescement, Book 1 Marisa L. Williams

In a behind the scenes look of the Princess Ventures series, as well as Black Widow, author Marisa L. Williams delves into a reality-based fictional script in New Orleans before Hurricane Katrina. When money is tight, sometimes the only option for a meal is to go on a date a nice guy who is willing to pay for food. Ghosts, voodoo, and conspiracy theories add twists to the story, which was written in two days and contains all original errors.
