Heart Canals

Kyle Over-Soul

Heart Canals Kyle Over-Soul

Essential for life and symbolic of love, the human heart is a muscle always in motion. The canals of the heart are responsible for moving the blood through the chambers of the heart to the body. Romantically, the canals of our hearts guide our relationships through the facets of love – infatuation, romance, parting and healing. Thoughtful and provocative, Heart Canals, is a collection of prosaic poetry tracing the paths of the heart in love and loss.
