Leaves of Absence: An Illustrated Guide to Common Garden Affection Laura Madeline Wiseman
Red Dashboard LLC Publication presents a published collaborative project, *Leave of Absence: An Illustrated Guide to Common Garden Affection*, with art and illustrations by Sally Deskins and poetry by Laura Madeline Wiseman. With a lush look at the body in nature, Deskins' art considers the pallet of the human form within trees, the tall creatures that we stand among. Moving from fairy tale to children's book, film representation to fact, Wiseman's poetry tells the love story of two trees as they fall from a growing forest into the outstretched limbs of the other. Together the art and words weave a rich ecology of place to show us that even when we're reaching away from what we know, our lives are actually becoming more entwined, binding us to what we love.
