Lost and Forgotten: A Visual Documentary of Bethlehem Steel Greg Passmore

Greg Passmore, best known for offbeat fashion photography, obtained rare permission to photograph the now dangerous and decaying Bethlehem Steel facility. The result is a coffee table book with haunting and lonely images of an industrial age that ended in failure. "Lost and Forgotten, A Visual Documentary of Bethlehem Steel" is now available, providing a window into the past and a possible apocalyptic vision of the future of our current technological revolution.
