Myakka Paula Benshoff

Discover the story of the land of Myakka

This book takes you into shady hammocks of twisted oaks and aerial gardens, down the wild and scenic river, and across a variegated canvas of prairies, piney woods, and wetlands—all located in Myakka River State Park, Florida's largest state park. Each adventure tells the story of a unique facet of this wilderness area and takes you into secret places it would take years to discover on your own. Your adventures through the park will be easy to navigate with the helpful maps carefully drawn to show you the best trails and paths. The wonderfully detailed illustrations and photos will illuminate the wildlife and plants that you will see along the way.

Whether you're visiting the park for the first time or have frequented the area since childhood, the adventures described here are sure to awaken your primitive instincts to explore the unknown. The possibilities for new and exciting experiences are unending. If you return the same places at different times of the year, you'll find enough adventures to last a lifetime. You'll never be one of those people who ask, "What's there to do in the park today?"

From reader reviews:

Morris Whitfield:

Here thing why this Myakka are different and trusted to be yours. First of all reading a book is good nonetheless it depends in the content of it which is the content is as yummy as food or not. Myakka giving you information deeper and different ways, you can find any book out there but there is no e-book that similar with Myakka. It gives you thrill looking at journey, its open up your current eyes about the thing in which happened in the world which is might be can be happened around you. It is possible to bring everywhere like in area, café, or even in your method home by train. Should you be having difficulties in bringing the branded book maybe the form of Myakka in e-book can be your option.

Gerald Chisholm:

Now a day people that Living in the era where everything reachable by talk with the internet and the resources in it can be true or not call for people to be aware of each facts they get. How individuals to be smart in getting any information nowadays? Of course the reply is reading a book. Reading a book can help individuals out of this uncertainty Information particularly this Myakka book because this book offers you rich information and knowledge. Of course the details in this book hundred pct guarantees there is no doubt in it you probably know this.

Bridgett Killion:

Would you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you never know the inside because don't evaluate book by its include may doesn't work here is difficult job because you are frightened that the inside maybe not while fantastic as in the outside search likes. Maybe you answer might be Myakka why because the fantastic cover that make you consider in regards to the content will not disappoint you. The inside or content is definitely fantastic as the outside or even cover. Your reading 6th sense will directly direct you to pick up this book.

Jan Dixon:

A lot of people said that they feel weary when they reading a publication. They are directly felt that when they get a half areas of the book. You can choose the particular book Myakka to make your personal reading is interesting. Your current skill of reading skill is developing when you similar to reading. Try to choose simple book to make you enjoy you just read it and mingle the impression about book and looking at especially. It is to be 1st opinion for you to like to wide open a book and go through it. Beside that the e-book Myakka can to be your new friend when you're feel alone and confuse with what must you're doing of their time.
