On Becoming a Painter

Robert A. Johnson

On Becoming a Painter Robert A. Johnson

The paintings of Robert Johnson evoke a newfound appreciation for the elegance and power of works done in the classical tradition. The principles underlying this approach to art have been passed along for the last five centuries from master to apprentice, from teacher to student, and from painter to painter.

In "On Becoming a Painter" Robert Johnson answers some of the most persistent questions in the minds of aspiring artists, including "What in fact is color harmony, and how can I achieve it?" and "How can I capture the 'Old Master' brushwork quality I admire in museums in my own paintings?"

"On Becoming a Painter" includes an extensive exploration of drawing as the foundation of good painting, with numerous illustrations that show how good draftsmanship can make paintings come alive.

Robert Johnson writes with human understanding and acute awareness of the attitudes which can propel an artists' work forward or hold it back. It includes the chapter "Changing Your Life," which is directed at painters who wish to seriously consider becoming full-time artists.

Lavishly illustrated with over 100 full-color plates, "On Becoming a Painter" is an essential book not only for the up-and-coming artist, but also for the collector, the connoisseur, and the art lover-in short, for anyone who cares about good painting.

From reader reviews:

Suzanne Jensen:

Do you certainly one of people who can't read pleasant if the sentence chained inside straightway, hold on guys this aren't like that. This On Becoming a Painter book is readable through you who hate the straight word style. You will find the facts here are arrange for enjoyable reading experience without leaving actually decrease the knowledge that want to provide to you. The writer associated with On Becoming a Painter content conveys the thought easily to understand by lots of people. The printed and e-book are not different in the content but it just different available as it. So , do you still thinking On Becoming a Painter is not loveable to be your top collection reading book?

George Bash:

Often the book On Becoming a Painter has a lot details on it. So when you check out this book you can get a lot of benefit. The book was written by the very famous author. The author makes some research just before write this book. This particular book very easy to read you may get the point easily after reading this book.

Sonia Cote:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this On Becoming a Painter can make you sense more interested to read.

Mark Garcia:

Some people said that they feel fed up when they reading a e-book. They are directly felt this when they get a half portions of the book. You can choose the book On Becoming a Painter to make your reading is interesting. Your skill of reading talent is developing when you just like reading. Try to choose basic book to make you enjoy to see it and mingle the sensation about book and examining especially. It is to be initial opinion for you to like to start a book and examine it. Beside that the book On Becoming a Painter can to be your brand new friend when you're really feel alone and confuse with what must you're doing of this time.
