Prize of Gor (Gorean Saga) John Norman

Ellen is a beautiful young slave girl on the planet Gor. But she was not always so lovely. For nearly sixty years, she was a woman of Earth, but life had largely passed her by. Then, following a chance encounter at the opera with a strangely familiar young man, she finds herself transported from Earth to Gor. Here she discovers the true identity of her kidnapper and his sinister motives. She is given a strange drug that reverses the aging process, turning back time itself, and once again she is the beautiful young woman she remembers from years before, so long ago. Now her adventures really begin. Men challenge one another to own her. To the victor go the spoils, but who will that victor be?

Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire.

***Prize of Gor* is the 27th book in the Gorean Saga, but you may enjoy reading the series in any order.**
