## **The Addendum: Thy Will Be Done -- A Spiritual Revival and Awakening - The Quest: Volume Four** Timothy K. Fitzgerald

"For a student of political history or human nature, whether moored to the right or to the left, Tim Fitzgerald's works, culminating in this final volume, are enlightening. They tell the very real story of a man determined to find himself, to be at peace with his own mind, and to make a difference in the world. From his middle-class childhood to his soaring successes scaling the unconquered heights of Yosemite's granite, Fitzgerald captivates the reader with stories of ambitions realized and dreams pursued." - Rico Oller, Former California State Senator

Haunted by the judgments of the American medical profession through their regulation of the mentally ill and the autocratic psychiatric professionals in his life, Fitzgerald finds himself face to face with supernatural forces that test both his beliefs in God and his religion. His spiritual juggernaut now takes him on a mythic journey, or 'Quest', in his efforts to master the written and spoken word as a professional author and lecturer. Consumed in this phase of his life with the incredible story of a simple man who turns a listening ear to the still, quiet voice of his spiritual conscience, only to discover it may well be the manifestation of a troubled immortal soul. He finds he as yet has untried gifts that may spell great hope for mankind itself and promise a final successful realization to his pursuit of truth and justice all through his life. Concluding though man may have shaken his faith in the purpose of the creation, God did not let Tim Fitzgerald down-nor, ironically, had his earthly father who raised him. Moreover, though abused at times in life by circumstances of fate, he still insists on seeing the good side of human endeavor, not man's pathological determination to erect his civilization on a foundation of sand. This work stubbornly chronicles his inner world of the soul, and its manifest drive to awaken spiritually, as well as mentally and morally.
