Barry St. Clair teams with three other veteran youth workers to help youth leaders create events designed to draw unchurched kids to Christ. Barry and the contributors to this book believe that a powerful spiritual youth movement is just around the corner. Youth leaders need to be ready and able with a strategy to bring kids to Christ. The Magnet Effect gives step-by-step plans for helping you reach kids through outreach events. Special attention is given to selecting and preparing adult volunteers and student teams, developing a publicity plan, preparing a realistic budget, hosting the event, and doing effective follow-up. Included also is an outreach event plant that walks you through the entire process.
