# X-Ray

## X-Ray

World renowned makeup artist Francois Nars started photographing just two years ago. Deciding to art direct his own marketing campaign, Nars started casting and shooting models. The results were smashing: soon ads appeared in W, Harpers Bazaar, and Allure, featuring stunning full-frame images of strikingly elegant women, in very untraditional casting, showcasing his new, blazing hot NARS line of cosmetics.

The famed designer decided to expand his vision: create an enormous art book with over two hundred richly stylized presentations of elegance, featuring his favorite personalities from the worlds of fashion, design, film-even passersby on the street: people who personified to Nars the very notion of bold and audacious chic.

Nars then set about travelling the globe and inviting each individual to sit for him, styling each portrait session according to the sitters metier, personality, and elan. The results are simply stunning: 240 immense color portraits-creations, really-extracting the essence, as with an X ray, of the worlds most remarkable individuals: Alexandra Von Furstenberg, Alexander McQueen, Amber Valletta, Angelica Huston, Anna Sui, Betsy Bloomingdale, Boy George, Bridget Fonda, Dave Navarro, Donatella Versace, Eartha Kitt, Francesco Clemente, Grace Jones, Hamish Bowles, Isabella Rossellini, Ivanka Trump, Jacqueline de Ribes, Juliette Lewis, Kate Moss, Lauren Hutton, Lauryn Hill, Marc Jacobs, Paloma Picasso, Penny Marshall, Polly Mellen, Princess Marie-Chantal of Greece, RuPaul Charles, Stephanie Seymour, Sylvia Miles, The Divine David, Tim Burton, Verushka, and many, many others.

X-Ray is not fashion photography: it is a portraiture of style that is meta-fashion.

### From reader reviews:

#### **Carl White:**

Here thing why that X-Ray are different and trusted to be yours. First of all reading a book is good nonetheless it depends in the content of it which is the content is as delicious as food or not. X-Ray giving you information deeper and different ways, you can find any book out there but there is no reserve that similar with X-Ray. It gives you thrill looking at journey, its open up your eyes about the thing in which happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in playground, café, or even in your method home by train. If you are having difficulties in bringing the imprinted book maybe the form of X-Ray in e-book can be your alternative.

#### **Judy Young:**

Playing with family within a park, coming to see the coastal world or hanging out with pals is thing that usually you will have done when you have spare time, subsequently why you don't try issue that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love X-Ray, it is possible to enjoy both. It is great combination right, you still need to miss it? What kind of hang-out type is it? Oh can happen its mind hangout guys. What? Still don't obtain it, oh come on its named reading friends.

#### **Jeffrey David:**

Is it an individual who having spare time then spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This X-Ray can be the solution, oh how comes? A book you know. You are and so out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these books have than the others?

#### **Curtis Hernandez:**

As we know that book is vital thing to add our know-how for everything. By a reserve we can know everything we would like. A book is a set of written, printed, illustrated or maybe blank sheet. Every year has been exactly added. This guide X-Ray was filled with regards to science. Spend your extra time to add your knowledge about your technology competence. Some people has various feel when they reading a book. If you know how big selling point of a book, you can experience enjoy to read a guide. In the modern era like today, many ways to get book that you wanted.
