Mail-Order Mother

Recently widowed and pregnant, Millie Steele needs a husband to help provide for her unborn child, and becoming a mail-order bride is her only option. Thankfully, her new husband, Kansas farmer Adam Beale, only wants a mother for his two young children—not romance. Everything is going according to plan...until Millie begins to fall for Adam.

Adam had reservations about wedding another city dweller—his late wife never took to life on the prairie. But now he can't imagine his family being complete without Millie and her unborn baby. Though they agreed to a strictly platonic partnership, can real love be blooming in Adam and Millie's marriage of convenience?
