Rivkah Harris

Gender and Aging in Mesopotamia: The Gilgamesh Epic and Other Ancient Literature Rivkah Harris

Rivkah Harris's cross-cultural and multidisciplinary approach breaks new ground in assessing Mesopotamian attitudes toward youth and mature adulthood, aging and the elderly, generational conflict, gender differences in aging, relationships between men and women, women's contributions to cultural activities, and the "ideal woman."

To uncover Mesopotamian perspectives, Harris combed through primary sources - including literature and myth, letters, economic and legal texts, and visual materials. Even such pivotal cultural influences as the Gilgamesh Epic and Enuma Elish are reinterpreted in an original manner.
