In Other Words: Incarnational Translation for Preaching Charles H. Cosgrove, W. Dow Edgerton
Foreword by Don Wardlaw

This exceptional book by Charles Cosgrove and Dow Edgerton will be a rich resource for pastors wanting to reach their congregations in a fresh way. Rather than discussing preaching in general or even a specific approach to preaching, it focuses on a new way of engaging the biblical text for preaching.

In Other Words combines Cosgrove and Edgerton's critical acumen, creative imagination, and pastoral discernment to present contemporizing restatements of Scripture, speaking timeless truths in modern speech. In describing their "incarnational translation," the authors invite readers to imagine what the text might have looked like if produced in the preacher's own culture, time, and place. Drawing on translation theory, genre studies, and recent hermeneutical theory, they offer both a comprehensive theory of incarnational translation and a set of specific guidelines and examples for carrying it out.
