Talk to the Snail: Ten Commandments for Understanding the French Stephen Clarke

Have you ever walked into a half-empty Parisian restaurant, only to be told that it's "complet"? Attempted to say "merci beaucoup" and accidentally complimented someone's physique? Been overlooked at the *boulangerie* due to your adherence to the bizarre foreign custom of waiting in line? Well, you're not alone. The internationally bestselling author of *A Year in the Merde* and *In the Merde for Love* has been there too, and he is here to help. In *Talk to the Snail*, Stephen Clarke distills the fruits of years spent in the French trenches into a truly handy (and hilarious) book of advice. Read this book, and find out how to get good service from the grumpiest waiter; be exquisitely polite and brutally rude at the same time; and employ the language of *l'amour* and *le sexe*. Everything you need is here in this funny, informative, and seriously useful guide to getting what you really want from the French.
