Why I Love Barthes Alain Robbe-Grillet

The literary friendship between Alain Robbe-Grillet and Roland Barthes lasted 25 years. Everything attests to their deep and mutual intellectual esteem: their private correspondence, their published texts, their conversations - notably in the famous dialogue which gives its name to this work. Robbe-Grillet freely said he had very few true friends but, next to the publisher Jérôme Lindon, he always cited the name of Roland Barthes. In 1980, he wrote his own 'I love, I don't love', published here for the first time, thinking about his friend. In 1985, he predicted: 'It is his work as a writer which will remain'. Ten years later, in 1995, he imagined him as an impatient, blithe novelist, merrily rewriting - 'euphorically, with inexhaustible happiness' - *The Sorrows of Young Werther*.

This small collection of conversations and short texts by Robbe-Grillet is like the deferred echo of those that Roland Barthes dedicated to him in his *Critical Essays* in 1964. It offers fresh insight into the development of Robbe-Grillet's own work as well as that of Barthes, and is a unique testimony to one of the most important literary friendships of our time.

Colby Tapia:

This Why I Love Barthes is brand-new way for you who has curiosity to look for some information since it relief your hunger info. Getting deeper you in it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this Why I Love Barthes can be the light food to suit your needs because the information inside this kind of book is easy to get by anyone. These books produce itself in the form which is reachable by anyone, yep I mean in the e-book type. People who think that in e-book form make them feel tired even dizzy this book is the answer. So you cannot find any in reading a guide especially this one. You can find actually looking for. It should be here for an individual. So , don't miss it! Just read this e-book sort for your better life in addition to knowledge.

Steven Murray:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Why I Love Barthes can make you really feel more interested to read.
