Athletes Who Indulge Their Dark Side: Sex, Drugs, and Cover-Ups

Stanley H Teitelbaum

Athletes Who Indulge Their Dark Side: Sex, Drugs, and Cover-Ups Stanley H Teitelbaum

From sex and drugs to violence, gambling, and wholesale conspiracies, scandals are everywhere in sports. Each of these problems is its own issue, and every case is separate, but taken as a whole this criminal pathology is indicative of a widespread problem with athletes and responsibility. In this wide-ranging and deep-seeking investigation, psychologist Stanley H. Teitelbaum asks why elite athletes take enormous risks with their lives and careers. Teitelbaum analyzes and diagnoses this culturally resonant set of problems with an honest, critical eye, looking at everything from baseball's steroid abusers to gambling scandals in the NBA to the steady stream of athletes arrested for domestic violence to the murder trials of O.J. Simpson and wrestler Chris Benoit. A concluding chapter holds sports commissioners and others to task for hiding behind a facade of ignorance and duplicitous na•veté in attempting to cover up or defuse brewing scandals.
