Grandparents Raising Grandchildren - Supergrands and Their Superkids is an easily understood guide to the grandparent who has taken over 24/7 responsibility for one or more grandchildren. This type of responsibility is overwhelming and can create a disorganized state for the grandparent. Before accessing on-line resources, the grandparent needs to be empowered with the knowledge of policies and understand the issues of how policies directly impact the grandparent-grandchild relationship. This in turn will help the grandparent be more organized in thought so they will be more available to their grandchild(ren). The intergenerational blend between supergrands and superkids creates a very positive impacting message to our society. Barbara Setzer B.Sc.,M.Sc.
