Handbook on China and Developing Countries (Handbooks of Research on Contemporary China series)

Carla P. Freeman

Handbook on China and Developing Countries (Handbooks of Research on Contemporary China series) Carla P. Freeman

Using original research to address cutting-edge topics, this Handbook explores the rapidly evolving and increasingly multifaceted relations between China and developing countries.

Innovative, data-rich analysis by leading experts from around the world critically assesses such timely issues as the 'China model', Beijing's role in international development assistance, World Bank governance, Chinese peacekeeping and South-South relations, and developing countries and the internationalization of China's currency. China's engagement with individual countries and regions throughout the developing world is examined, including Chinese private sector investment in Africa.

This unique and comprehensive study is an essential reference for scholars and policy experts alike, with a breadth and depth of coverage that will inform and guide analysis for academics, practitioners and postgraduates.
