Peak Performance Helen Brenna

Rachel Murphy always puts family first. Well, sometimes family and work—as a female NASCAR engine specialist, she has a lot to prove! She's got no time for romantic entanglements. Besides, having been orphaned at a young age, she's had enough abandonment to last a lifetime.

For mountain-climber-turned-sportscaster Payton Reese, risk is what makes everything worthwhile. That is, until an encounter with Rachel makes Payton compromise his "play hard, don't get tied down" rule. Suddenly he finds himself strangely captivated by a beauty in coveralls...and wanting to teach her a thing or two about living life for herself!

But how can he be what she really needs...without changing his course?
