About the TABE Test

The TABE exam measures your skills through the high school level in Language Arts, Reading, and Mathematics. In short, it tests everything taught in high school, so employers and institutions will know that you are prepared for new training.

About Trivium Test Prep

Trivium Test Prep's study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, **HOW TO STUDY FOR IT**. Trivium study guides are different. Our dedicated professionals know how people think and learn, and have created our **TABE study guide** based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our **TABE book** is specifically tailored for your exact needs. We refuse to pad a study guide as a means to convince people there is more information; this is a devious trick used to make you think you are getting more, when really it's all just wasting your time.
