## **A Brief and Tentative Analysis of Negro Leadership** Ralph J. Bunche

A world-renowned scholar and statesman, Dr. Ralph J. Bunche (1903—1971) began his career as an educator and a political scientist, and later joined the United Nations, serving as Undersecretary General for seventeen of his twenty-five years with that body. This African American mediator was the first person of color anywhere in the world to be awarded the Nobel Prize for Peace. In the mid-1930s, Bunche played a key role in organizing the National Negro Congress, a popular front-styled group dedicated to progressive politics and labor and civil rights reform.

*A Brief and Tentative Analysis of Negro Leadership* provides key insight into black leadership at the dawn of the modern civil rights movement. Originally prepared for the Carnegie Foundation study, *An American Dilemma: The Negro Problem and Modern Democracy*, Bunche's research on the topic was completed in 1940. This never-before-published work now includes an extended scholarly introduction as well as contextual comments throughout by Jonathan Scott Holloway.

Despite the fact that Malcolm X called Bunche a “black man who didn't know his history,” Bunche never wavered from his faith that integrationist politics paved the way for racial progress. This new volume forces a reconsideration of Bunche's legacy as a reformer and the historical meaning of his early involvement in the civil rights movement.
