**A Good Horse Is Never a Bad Color: Tales of Training through Communication and Trust** Mark Rashid

In *A Good Horse Is Never a Bad Color*, Mark Rashid continues to share his talent for training horses through communication rather than force. Rashid uses humorous, feel-good stories to relate his techniques of teaching horses by examining their view of the world. This book is a must-have for compassionate horse trainers and owners. Tales of Arabs, appaloosas, and paints—mistrusted and mistreated because of their breed—will give readers a new perspective on these breeds and others. This new edition features added introductory notes for each chapter that contribute to a better understanding of Rashid's philosophy and methods.
