Books of the brave

Irving Albert Leonard

Books of the brave Irving Albert Leonard

Since its original publication in 1949, Irving A. Leonard's pioneering *Books of the Brave* has endured as the classic account of the introduction of literary culture to Spain's New World. Leonard's study documents the works of fiction that accompanied and followed the conquistadores to the Americas and goes on to argue that popular texts influenced these men and shaped the way they thought and wrote about their New World experiences.

For the first time in English, this edition combines Leonard's text with a selection of the documents that were his most valuable sources—nine lists of books destined for the Indies. Containing a wealth of information that is sure to spark future study, these lists provide the documentary evidence for what is perhaps Leonard's greatest contribution: his demonstration that royal and inquisitorial prohibitions failed to control the circulation of books and ideas in colonial Spanish America.

Rolena Adorno's introduction signals the lasting value of *Books of the Brave* and brings the reader up to date on developments in cultural-historical studies that have shed light on the role of books in Spanish American colonial culture. Adorno situates Leonard's work at the threshold between older, triumphalist views of Spanish conquest history and more recent perspectives engendered by studies of native American peoples.

With its rich descriptions of the book trade in both Spain and America, *Books of the Brave* has much to offer historians as well as literary critics. Indeed, it is a highly readable and engaging book for anyone interested in the cultural life of the New World.

From reader reviews:

Olga Andres:

What do you concerning book? It is not important to you? Or just adding material if you want something to explain what yours problem? How about your spare time? Or are you busy particular person? If you don't have spare time to perform others business, it is make one feel bored faster. And you have extra time? What did you do? Every person has many questions above. They have to answer that question mainly because just their can do that. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need that Books of the brave to read.

Lucia Stevenson:

Here thing why this Books of the brave are different and reliable to be yours. First of all examining a book is good however it depends in the content of it which is the content is as delicious as food or not. Books of the brave giving you information deeper including different ways, you can find any reserve out there but there is no guide that similar with Books of the brave. It gives you thrill examining journey, its open up your own eyes about the thing that will happened in the world which is possibly can be happened around you. You can actually bring everywhere like in park your car, café, or even in your means home by train. In case you are having difficulties in bringing the imprinted book maybe the form of Books of the brave in e-book can be your option.

Christina Bishop:

The reason why? Because this Books of the brave is an unordinary book that the inside of the book waiting for you to snap it but latter it will jolt you with the secret that inside. Reading this book close to it was fantastic author who have write the book in such wonderful way makes the content within easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of gains than the other book have got such as help improving your ability and your critical thinking means. So , still want to hesitate having that book? If I ended up you I will go to the book store hurriedly.

Billy Doyle:

As we know that book is very important thing to add our understanding for everything. By a guide we can know everything we would like. A book is a set of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This reserve Books of the brave was filled regarding science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people has several feel when they reading some sort of book. If you know how big benefit from a book, you can truly feel enjoy to read a book. In the modern era like at this point, many ways to get book that you just wanted.
